HRMS Software for improved managed data

NAMISITE HRMS

NAMISITE HRMS is an Open Source system that makes every HR duty effortless. Duties include employee information management, attendance recording, payroll, on-boarding, and much more. Our team is efficient in developing, customizing, implementing applications with HRMS.

The screenshot displays the NAMISITE HRMS website interface. At the top, there is a navigation bar with the NAMISITE logo on the left and links for 'Features', 'Pricing', 'Support', 'Login', and 'Sign Up' on the right. The main content area features a large image of a laptop displaying the HRMS dashboard. The dashboard includes a calendar for March 2019, a 'Total Employees' widget showing 17, a 'Total Departments' widget showing 4, and a 'Total Absence' widget showing 16. Below the calendar, there is an 'Expense Report' section with a 'Monthly Expense Report 2019' table. Overlaid on the laptop image is the text: 'A Complete HR Management Solution that delivers' and 'Over 10,000 companies worldwide trust Human Resource Management'. At the bottom of the laptop image, there is a form with a text input field labeled 'Your Email ID' and a red button labeled 'Try for FREE!'.
